TRAINING & PROJECTS

Aspire Vision | Alcohol Detector

October 2019-Present

- It detects the amount of alcohol consumed by an individual along with the display board which depicts the exact value as well as alerting lights. I have calibrated it with machine learning algorithms which stores the traits and credentials of the person.

Secure Fingerprint Detection System

October 2018-Present

- It detects the fingerprint of a person whose details are stored inside the database. It has all the necessary details required of a particular person. We have used a Hardware for that.

Ministry of Micro, Medium and Small Enterprise, Govt. India | Core Java

October 2017-Present

- It was the introduction to the language Java where I learned the basic fundamentals of the language and began with the coding part which included various topics like Inheritance, Polymorphism etc.

ACADEMIC ACHIEVEMENTS

- Coordinator at Effectus, a startup platform of Chandigarh University
- Certificate of Merit in Cyber Security, Chandigarh University

CERTIFICATIONS & AWARDS

- Core Java : Ministry of M.S.M.E. , Govt. of India
